Dr. Lowe states, "I want people to leave this symposium excited about making their dreams come true and accomplishing their goals. Too many people defer their dreams and goals because of fear, lack of support and lack of know how. The Riot Starter Symposium will provide each participant with the tools needed to get started toward their execution. Everyone has a dream but dreams deferred are like seeds unplanted. Do you ever wonder how many amazing dreams are buried at the cemetery?" Register today www.theriotstarter.com let's make 2015 the best year ever.
